# REPUBLIQUE OF FRANCE

#### Fleet Quality = 2

# REPUBLIQUE OF FRANCE MODEL ASSIGNED RULE

#### Heavy Anti-Aircraft Fire

In the recent modernisation of their armed forces, military thinking in the Republique of France emphasises air superiority as a key factor for victory. Their military vehicles are thus festooned with air defences capable of filling the skies with a wall of flak.

Republique of France models may re-roll **INITIAL** results of a 1 when rolling Passive Defence against Support Aircraft Wings and Rockets.
