Ottoman Empire Traditionalists Universal Rules

- In some places, Ottoman Empire Traditionalists is abbreviated as OE-T in the Force Guide.
- All Ottoman Empire Broadsides have the Redoubtable (Broadsides) Model Assigned Rule.
- All Ottoman Empire Traditionalist Capital Models have the Sharpshooters Model Assigned Rule.
- All Ottoman Empire Primary Weaponry have the Corrosive Model Assigned Rule.
- All Ottoman Empire Mines are Air Bust Mines.
- All Ottoman Empire Mines have the Devastating Munitions type.

Ottoman Mine Control Generators

Ottoman Empire Mines within range of a Mine Control Generator may move D3+2" instead of the usual 2".

Ottoman Empire Traditionalist Commodore Rules

Commodore Traits

- Ottoman Empire Traditionalist Commodores may always take the Battle Drilled Ack Ack Defensive trait instead of making a roll on the Defensive Trait table.
- Ottoman Empire Traditionalist Commodores (including Competitive Commodores) may exchange any Defe Trait they have generated for the following trait:
- o Advanced Alchemical Munitions: Once per Game Turn This ability may be activated during the Command Segment of a Squadrons Activation provided a member of the Squadron is within Command Radius of the Commodores Model. When resolving attacks with weapons with the Corrosive Munitions type models in the Squadron apply 1 Corrosion Marker if they exceed the DR of the target and 2 Corrosion Markers if they exceed the CR of the target.
